

Hello Middies Parent:

The following is a list of the 2011-2012 Short Course meet season. We will need your schedule turned in with dates you're able to attend by Thursday, September 15th. An email will follow up at the deadline of each meet in case you need to scratch your swimmer(s) prior to competition. If you do NOT scratch your swimmer and choose not to attend, the cost of your swimmer's meet will be charged to your credit card.
